

Soulforce Action

**Join Soulforce at the U. S. Conference of Catholic Bishops
November 14–17, 2004
Washington, D.C.**

The Roman Catholic Church is the largest religious institution in the United States. Membership in the U.S. is over *sixty million*, making it a political force as well as a religious force.

The Pope/Vatican and the United States Conference of Catholic Bishops (USCCB) continue to make spiritually violent statements and policies against gay, lesbian, bisexual, and transgender people, both politically and socially. These policies hurt people both inside and outside the church.

Soulforce will gather for nonviolent training and a three-day vigil asking for change.
