

VOUCHER

This holiday season I am supporting organizations that do not discriminate in any way against people based on sexual orientation, gender identity, or any other reason.

I will NOT donate to the Salvation Army, and will instead give to other charities, until the Salvation Army stops discriminating against the lesbian, gay, bisexual, and transgender community in hiring, firing and promotion, and in the provision of benefits.

"George Hood, a senior official with the Salvation Army, said the group never discriminates in delivering its services, but on the question of hiring gay employees, 'it really begins to chew away at the theological fabric of who we are.'"
