NEWS RELEASE

WBC to picket fag whoremonger Rev. Mel White, his Soulforce Mass Arrest scam, and the sodomite Southern Baptist Conv., New Orleans, June 11-13.

Rev. Mel White (at left) was a well-known evangelical preacher and author -- a ghostwriter of books & sermons for Billy Graham & Jerry Falwell. He had a wife (Lyla) & two children (at right).

Then this blithering idiot "fell in love" with a man (Gary Nixon, below), sloughed off his wife and kids, and "married" Mr. Nixon! Now he's getting very old and will soon enter Hell. So he spends his time trying to convince himself and others: It's OK to be gay.

White's latest gimmick is to gather 200 fags for disrupting church conventions, to get themselves arrested -- for cheap publicity. Ergo, New Orleans to disrupt the SBC at the Superdome June 11-13.

Enabling fags & dykes is a worse sin than *being* one! The Southern Baptists are *fag enablers*!!

"Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them." Rom. 1:32. Having described the sins of sodomites, another sin is introduced: fag enabling. Fag enablers: Those who -- not driven by fag lust themselves -- yet "have pleasure in them that do them." The old preachers and expositors held that fag enablers have the greater sin, and will have the hottest place in Hell. (E.g., Jamieson, Fausset & Brown, on Rom. 1:32).

The two grinning faggots above -- Rev. Mel White & his new "wife" Gary Nixon (left) -- will have 200 fags in New Orleans to disrupt the SBC convention at the Superdome
