Application for *Right to Marry: Arizona* in August 2008

Things to Know:

This is the application for Team Members, those who participate for the full duration of the campaign, August 8th-16th with virtual preparatory work beginning in mid-July. We have many opportunities for involvement for those who wish to join us for a single day or event. Please see **www.righttomarry.org** for more information.

We have two Teams who will collaborate in this campaign: the Walking Team and the Outreach Team.

The **Walking Team** will follow a 96-mile walking route through Phoenix, making stops at parks, town halls and faith communities to share their stories. Couples are particularly encouraged to join the Walking Team. The **Outreach Team** will engage state legislators, Latter Day Saints, and senior communities through a variety of planned events. Here, the focus is on a conversation that covers civics, faith's role in society & equality.

Soulforce Q campaigns are what we make them! We each participate in self-education, organizing, coalition-building, logistics planning, public speaking, and adding creatively to the campaign as we are able.

We welcome applicants of all faiths and non-faiths, ethnicities, abilities, classes, sexual orientations, and gender identities. We are looking for young adults age 18 to 28 for the Outreach Team. Advocates of all generations are welcome to join the Walking Team or participate in single days or events. Soulforce Q will cover all costs for Team Members associated with participation in Right to Marry: Arizona campaign and assist others as needed to join us in support.
